Chase Travel Best Booking Strategies (2026 Expert Guide)

1. Compare Portal vs Transfer Partners Before Booking

One of the most important strategies is comparing redemption options.

You should always check:

- Chase Travel Portal pricing

In many cases, transferring points gives higher value per point, especially for international flights.

2. Book Flights at the Right Time

Timing plays a major role in saving money.

Best booking windows:

- Domestic flights: 1–3 months in advance
- International flights: 2–6 months in advance
- Hotels: 2–8 weeks before travel

Avoid last-minute bookings unless you find a special deal.

3. Use Chase Travel Portal for Flexibility

The Chase Travel Portal is great for:

- Easy booking process
- No blackout dates in most cases
- Ability to mix points and cash

This is especially useful for travelers who want convenience over maximum point value.

4. Transfer Points for Maximum Value

Transferring points to partners like airlines or hotels can unlock higher value.

Common benefits include:

- Business class flight deals
- Luxury hotel stays
- Better point-to-dollar conversion

This strategy is ideal for international travelers.

5. Combine Points Across Chase Cards

If you own multiple Chase cards, combining points into one account can significantly increase value.
