Chase Travel Easy Guide To Rewards And Deals (Step-by-Step)

1. Understand Your Point Value First

Different Chase cards give different redemption values:

- Chase Sapphire Preferred: 25% bonus value
- Chase Sapphire Reserve: 50% bonus value

👉 This means the same points can be worth more depending on your card type.

2. Always Use the Travel Portal for Redemptions

To get maximum value:

- Log into Chase Ultimate Rewards
- Select “Travel”
- Compare booking options

Booking through the portal often increases the value of your points compared to cash redemption.

3. Use Flexible Dates for Better Deals

One of the easiest ways to save is flexibility.

- Shift travel by 1–3 days
- Avoid peak weekends and holidays
- Look for midweek departures
