## ⚠️ 3. Key Facts on Cruise Refunds – No Guarantees!

Can you get a full refund? It depends! Contacting support doesn't automatically approve a full refund. Eligibility is based on:

Factor	Details
Fare Type	Refundable fares offer better chances; non-refundable fares may incur penalties.
Time Before Departure	Cancellations 90+ days out often qualify for full refunds; closer dates reduce eligibility.
Cruise Line Policies	Each line (e.g., Royal Caribbean, Carnival) has unique rules – check your booking terms.
Special Circumstances	Medical emergencies, travel bans, or force majeure events may qualify for exceptions.

Pro Tip: Review your confirmation email or cruise line website for exact policy details.
